

Photograph Guidelines

1. The use of experienced photographers is encouraged.
2. Vertical photographs approximately 4" x 6" are preferred. Please use a high resolution setting on digital cameras.
3. Previously published photographs cannot be used in the calendar with the exception of those printed in newspapers.
4. Commentary may be edited.
5. Submit color photographs (NO slides). If possible, ALSO submit photos digitally on disc for improved quality.
6. Do not include people, pets, award ribbons, entry cards, or judges comments in the photographs.
7. Do not attach paper clips, staples or tape, and do not write on the back of the photographs.
8. Design Photographs:
 - a. are assumed original
 - b. contain no artificial foliage or flowers
 - c. backgrounds / underlays should be the same material
 - d. avoid distractions (light switches, panel breaks, hinges, etc.) Additional cost to retouch.
9. Horticulture photographs should be photographed in a natural setting- North Carolina only.
10. A North Carolina Engagement Calendar Entry Form (found on Forms page) must be completed for each photograph submitted.
11. No limit to entries.
12. Protect entry by using cardboard or photograph mailer. Creased photos not accepted.
13. Photographs will be returned if sent with self-addressed mailer and sufficient postage.
14. Mail entries for Calendar **BY JANUARY 30**
15. Mail entries to:
