“Make a Difference”

Gardeners,

Well, all the District Meetings are over and they were a treat. Each one was different and even the food was never repeated. And I could write an entire newsletter about the food. No wonder our cookbook sells so well!! I want to thank each and every one for the hospitality shown to the officers and for giving me the chance to meet so many garden friends, both old and new.

I wish I had the space to tell everyone about the incredible activities and projects that our clubs have undertaken. It is very inspiring to be a part of such a sharing of spirit and giving and gardening. Thank you, thank you.

SOUTH ATLANTIC REGION MEETING

The Greenbrier, White Sulphur Springs, West Virginia

March 25-27, 2012

All Club presidents and garden club members are invited to attend the SAR Meeting at the Greenbrier. This is a very special place and West Virginia has many interesting things planned for us in March. You can access the Registration Form and Hotel information at the SAR website SOUTHATLANTICREGIONGARDENCLUBS.ORG. Or find the form on the GCNC website and a link to SAR there also.

DANIEL BOONE NATIVE GARDENS

I had the opportunity to go to a DBNG Board meeting in October. So much is going on in the gardens and they are making plans to make next spring and summer a memorable one. The visit was memorable for me since it snowed when I got to Boone!

TWO NEW AWARDS

These two awards were approved at the GCNC Fall Board Meeting and were announced at that meeting and the District Meetings. If you do not have time to plant a pink garden this year think about doing one for next year. If you already have a “Plant it Pink” garden submit a book of evidence by December 1 to the appropriate category chairman.
